

Thank you.

I would like to start this letter to all of you, with directing a heartfelt thank you to all delegates that helped make SAED2015 such a successful event, and to all members at the general assembly who voted me to represent you as president for the organisation. Thank you.

Now, this year's symposium was truly a success, much thanks to the hard work of past presidents and the Executive Council, but not least thanks to the sponsors and the incredible line-up of lecturers we had this year. This year will most definitely be a tough year to follow, as we have set the bar quite high with this year's event.

Nevertheless, rest assure that we will do all we can to make next year's event; SAED2016, at least as good at this year was. To ensure this, we have put together the best minds to head the new scientific council, and given them the task to find and attract the very best lecturers for next year's event. At the same time, we are again requesting the Conference Shop's assistance in organising the event, and last but not least; we will again be at the wonderful Solstrand Spa Hotel.

After SAED2015, we have sent out a form to get feedback from all delegates, and we will of course take all the feedback with us in the planning of SAED2016.

I would also like to remind you that if we have just 30 more delegates joining next year, we will book the whole hotel. This will give us an even better chance at making getting the very best lecturers, and make SAED2016 the best symposium ever; So please register early, and help us bring more people to SAED and to SAED2016.

During the coming year, until we again meet at Solstrand, there will be a number of arrangements where we will have a chance to meet, catch-up and learn even more;

- at one of SAED's upcoming study-clubs in Oslo, Stockholm or Copenhagen in the months to come
- at Morten Duesund's seminar "Klinikkeier 2015: Dental Practice in a Business Context" in Oslo in November 21.
- at the BAAD meeting at Stoke Park in England in January, or
- at the EAED meeting in Copenhagen in June.

These are all events you should not miss out on, but whether or not we manage to meet at one of these, let's make sure we see each other at SAED 2016 at Solstrand.

Again, a heartfelt thank you to you all. It is a tremendous honour for me to serve as president for the next two years, and I can not wait to see you all again at Solstrand 2016.

All the best

Trine Bjelke-Holtermann
President, SAED
